

CarePoints® information for your health®

This is important information, but it may not refer to the prescription you received today.
Please read and discuss any questions you may have with your health care provider.

Remember to refill your Lialda® (mesalamine) on time

Our records indicate that you have been prescribed Lialda, and we would like to remind you to refill your prescription as directed by your doctor.

If your doctor has changed your medication or directed you to stop taking Lialda as part of your treatment plan, please disregard this message.

As always, if you have any questions about your medication, you can talk to your doctor or pharmacist. For information about Lialda, visit Lialda.com.

Sign up for helpful patient support materials

Connect 2 More is a patient support program from Shire, the marketer of Lialda, offering a series of mailings and e-mails to help you better understand your Lialda treatment plan.
